**Position Announcement –  
Tenure Track Position in Transportation /Logistics  
College of Business Administration  
Daytona Beach Campus**

The College of Business at Embry-Riddle Aeronautical University invites applications for a tenure track position at the Assistant Professor level to teach both graduate and undergraduate students and conduct research and scholarly activities in their teaching fields. College committee membership and service to the University are also required.

Location: College of Business, Daytona Beach, Florida

Requirements: The successful candidate is expected to possess a Ph.D. in Operations Management, Operations Research, Supply Chain/logistics, Transportation, or other relevant fields from an accredited institution. The successful candidate will be teaching diverse quantitative classes such as production operations management, project management, operations research, air cargo management, logistics and Business Quantitative Models. Candidates with industry experience or excellent teaching / research records in the area of air cargo management, logistics, air cargo operations, planning, and design are strongly advised to apply.

The starting date for this position is August 2012 pending budget approval. Interested individuals must send a cover letter, copy of their current Curriculum Vitae, sample publications and contact information of three references via email to:
